No Universal Remedy

has yet been discovered; but, as at least lour-tifths of human diseases have their source in Impure Blood, a medicine which restores that fluid from a depraved to a healthy condition comes as near being a universal cure as any that can be produced. Ayer's Sarsaparilla affects the blood in each stage of its formation, and is, therefore, adapted to a greater variety of complaints than any other known medicine.

Boils and Carbuncles. which defy ordinary treatment, yield to

Ayer's Sarsaparilla after a comparatively brief trial.

Mr. C. K. Murray, of Charlottesville, Va., writes that for years he was afflicted with boils which caused him much suffering. These were succeeded by carbuncles, of which he had several at one time. He then began the use of Ayer's Sarsaparilla, and after taking three bottles, the carbuncles disappeared, and for six years he has not had

even a pimple.

That insidious disease, Scrofula, is the fruitful cause of innumerable complaints, Consumption being only one of many equally fatal. Eruptions, ulcers, sore eyes, glandular swellings, weak and wasted muscles, a capricious appetite, and the like, are pretty sure indications of a scrofulous taint in the system. Many otherwise beautiful faces are disfigured by pimples, eruptions, and unsightly blotches, which arise from impure blood, showing the need of Ayer's Sarsaparilla to remedy the evil. All sufferers from blood disorders should give Ayer's Sarsaparilla a fair trial, — avoiding all powders, ointments, trial,—avoiding all powders, continents, and washes, and especially cheap and worthless compounds, which not only fail to effect a cure, but more frequently aggravate and confirm the diseases they are fraudulently advertised to remedy.
